## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-13 are allowed over prior art of record.

The following is a statement of reasons for the indication of allowable subject matter:

Regarding claim 1, there's not one single feature in the claim that makes the claim allowable over prior art of record. Rather, it's the combination of **ALL** the limitations of claim 1 recited in combination with one another, because there is no reason to combine the following references in order to come up with the structural features of claim 1. Claims 2-13 are allowed by virtue of dependency on the allowed claim 1.

Kurz et al. 4,700,075 A1

Cowham 6,211,525 B1

Robinson 4,217,495 A1

Austrata et al. WO 98/40906

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2877
